

Bulldog Buddy

2017 - 2018

Thank you for your interest in becoming an East End Bulldog Buddy! We are excited that you wish to help the students of our school arrive and leave safely each day.

The following application needs to be reviewed by you and your parent/guardian and taken seriously. We believe that all Bulldog Buddies should be an example to younger children in behavior, reliability and politeness. Students who do not take the responsibility seriously and act in a manner that contradicts the code of conduct may be dismissed at any time.

Please review the following job descriptions/responsibilities for Bulldog Buddy Assignment. You will be expected to perform the duties assigned to your area. Any problems should be reported to a teacher on duty.

Bulldog Buddies Responsibilities:

- Report for duty on time and wearing the appropriate safety gear
- In the morning, hold doors for entering students and escort younger students to their classrooms as needed
- In the afternoon, hold entry and exit doors for dismissing students
- Morning duty begins at 7:40 and lasts until 8:00
- afternoon duty begins at 2:30 and lasts until 2:45

Considering transportation to and from school, I would be able to report for duty in the:

_____ morning (7:40-8:00)

_____ afternoon (2:30-2:45)

Applications are due to the school by July 13th. All applications will be reviewed and students' teachers will be involved in the approval process. A training will be held before school begins with Bulldog Buddies. If you have any questions, please contact Tammy Day (tamahday@pickens.k12.sc.us).
